Good afternoon,

On Tuesday, September 19th, Jennifer Hayes from Congressman Rick Allen’s office made a stop at Grovetown City Hall to meet with several citizens who came in for assistance. We appreciate Congressman Allen sending his representative here to talk with local citizens.

On Wednesday, we held our monthly department head meeting and discussed several City activities scheduled over the next 3 months. Stay tuned for more information.

Please check out our Facebook page for a few very interesting photos of the Grovetown Museum. Mr. Willie Hill, a local resident, photographed several interesting items and we thank him for sharing his work with us.

A City Council meeting was held on Monday, September 11th, 2023, where our Mayor and Council approved ordinances to expand the City via annexation. If you live outside the City and would like to come into the City by this process, please contact our Director of Planning and Community Development at 706-863-4576, ext. 315.

A representative from Concerned Women, Inc. located in Grovetown, made an announcement at Monday’s Council meeting that they are in need of food donations. They are located at 104 Johns Street and will happily accept donations from the public.

Our Streets and Sanitation Department has issued 134 notices for trash violations; Code Enforcement has issued 24 notices for the same infraction. Do not place your waste in the street. Bulk and yard waste pickup from the City occurs every other week in your area. If you do not have a bulk and yard waste pickup schedule, please contact Utility Billing at 706-863-4576, ext. 450, and you will be advised on how to receive one. Do not place rough trash out for pickup if it is not your scheduled week. The City will not pick up excessive piles of trash (see guidelines on your bulk and yard waste schedule). Trash must be placed at your address. Do not haul trash across town to dump it on someone else’s property. Please help us keep our City clean.

Employees are still on the lookout for trash being brought into the City and dumped on the sides
of City streets. If you notice anyone dumping, please notify the General Services Dept. at 706-863-4576, ext. 319.

Please be aware that there is an ordinance against illegal parking and this ordinance is being enforced. Also be aware that our City has a tree ordinance. Before cutting a tree, please contact Planning and Community Development for guidance on this matter.

We have several job openings in the City. For those who may be seeking employment, please visit our website at [www.cityofgrovetown.com/jobs](http://www.cityofgrovetown.com/jobs).

**Human Resources**
